

Auction of Talents

Val and Andy Statt

On Saturday November 25th we held an auction of both our talents; offering our gifts and skills and items as well - all to help raise money for EBC Funds.

We both were so very pleased with so many folk bringing items to sell and the bidding started with Andy being the Auctioneer.

There was some spirited bidding but all in good fun and it was a wonderful afternoon.

We would like to thank everyone who supported this event in anyway which resulted in £310.40 being raised towards church funds.
