## Melanie Pike

This group is such a friendly and lovely group of young people (and leaders). We have had many a discussion on Christian topics. It is a safe environment to really uncover their feelings and discover their own beliefs.

We look forward to Solid camp this year.

A smaller group of youth as the older children will have just finished their GCSEs and are involved in NCS.

We have joined with the blaze team on three occasions, dodge ball, bowling and a concert. All events were great and we look forward to joining in more.

Darren, Melanie, Jan and Andrew.
