

Friday Club

Carol Land

Friday club is working well. We have 18 children on the register that have attended this term. 10 of the children regularly attend.

We have three leader/helpers still at the moment and we are managing with this at the moment although it would be really good to have an extra helper to call on especially when one of us cannot make it for any reason. If you feel you can help us please have a chat with Mel or Carol.

We continue to use Urban Saints material for our topics – this year mainly covering Bible Characters.

For the future we want to continue getting to know the children and their parents/carers showing them God's love and to teaching the children about God and our faith in a fun way.

Please pray for us as we prepare each week and for the children while having fun to learn about having a personal relationship with God and for their families too.
