

Harvest Supper

Sharon Watkins

We held our 2017 Harvest Celebration on the 16th and 17th of September with a Bee theme. We were raising awareness and funds for the charity 'Bees Abroad'. Much fun was had with many puns throughout the weekend.

The church was fully involved in the decorating as many folk made their own bees and these were strung around a hive and bee keeping equipment. Harvest Supper had a honey flavour.

There were many games and prizes for all, a full-on time for everyone.

Bee money boxes had been made and funds had been collected over several weeks. These were brought as an offering to the Sunday service. This enabled us to send a magnificent cheque to Bees Aboard for £450.
