

Sunday Services at Havengore House

Rosie Midson

We continue to take a monthly service on every third Sunday afternoon for the residents of Havengore House.

In a half hour of worship we include Bible reading, prayer and the singing of well-known hymns as well as a very short 'thought for the day'. Thanks to Carol Land and her keyboard we have music to accompany us. Bebe Cox and Cecilia Bell also help us out with this. We find that residents enjoy singing along to the tunes familiar from their youth.

Other regular participants are Andrea and Rachel Squire, Monica Embling, Betty Franks, Pam Miles and Graham Back; who support the singing and do the Bible reading or lead a prayer. Pam also regularly visits Ruby Smith who is being cared at Havengore.

The staff are always very welcoming and enables those residents who wish to be part of this short act of worship to join us in the lounge area.

We try to ensure that every resident receives a birthday card from the fellowship at Eastwood Baptist church. The owners are pleased to welcome us and again gave a generous donation at Christmas to thank us for our faithful attendance.
