

EBC Men's Breakfasts Report

Graham Back

The team (Andrew Edwards, Vinny Kinsler, Mike Mircic and Graham Back) carried their enthusiasm into 2017. During this, our fourth year, five breakfasts were held. Four were at EBC itself, with the December breakfast being a "Christmas Special" at The Oakwood.

This year, the intention was to have more guest speakers, and three of the four EBC based breakfasts were followed by talks, with the speakers being encouraged to give their testimonies.

The breakfasts at EBC were once again well attended, with an average of over 20 (significantly higher than previous years) of our men settling down and enjoying a full English breakfast.

We had a record attendance of 26 at our "Christmas Special" with most of the men wearing seasonal jumpers. Our thanks go to the staff at The Oakwood for the meal, the service and the atmosphere - looking forward to the next Christmas meal already!

The team has been given an additional Saturday for 2017 (making six in total), and the planning is well under way, with the intention of inviting speakers to tell us what, having got their faith in God, they are doing in their Christian lives. As James said in chapter 2 verse 26 "As the body without the spirit is dead, so faith without deeds is dead."
