

Shoebox Appeal

Sharon Watkins

This year we launched the Operation Christmas Child shoebox appeal in style by inviting Puppet Partners to our service. They gave a memorable performance with their puppets, songs and a bubble machine. Samaritans Purse has been working hard to continue this charity outreach activity sending shoeboxes to children in countries we would have little contact with otherwise.

It is well worth looking through their website at www.samaritans-purse.org.uk which explains their work clearly with lots of videos and plenty to read.

Our 85 shoeboxes went via the Rayleigh Warehouse and were sent to Romania.

Thank you to everyone who donated shoeboxes, money and time towards this activity.
